We've Set the Standard Very High on Teamwork Join Us to Set It Even Higher!

The Oxford County Community Health Centre's (OCCHC) serves complex, marginalized populations who face significant barriers in accessing primary care with a full range of wraparound team-based services. For our **Woodstock site**, we are seeking a **Full Time**:

NURSE PRACTITIONER – Primary Care

Contract until March 31, 2028 with possibility of extension

Overview of Position: As a member of our broad interdisciplinary team, the NP will provide comprehensive primary care services to registered clients with a focus on those who are high risk and/or experiencing barriers to accessing services. The NP Primary Care is responsible for health assessments, diagnosis, therapeutics, health education /counselling, disease prevention, & other medical functions. The OCCHC supports all disciplines working within a **full scope of practice**.

Compensation & Benefits: HOOPP pension, benefits, paid vacation, sick and personal time.

Hours of Work: 8:30am – 4:30 pm, Monday to Friday, no weekends.

Requirements:

- Master's Degree in Nursing with a Primary Care NP designation or Baccalaureate Nursing degree with an extended class diploma, from a recognized university.
- Current Registration as an RN-EC and a member in good standing with the CNO.
- *Preference will be given to candidates with:*
 - Demonstrated experience and comfort-level working with vulnerable populations including individuals with mental health challenges, substance use disorder, experiencing homelessness, etc.
 - Demonstrated ability to work independently and collaboratively within an interprofessional team.
 - Community experience, preferably in primary health care or combination of community, hospital and/or public health.
 - Strong communication & interpersonal skills, combined with excellent critical thinking, problem solving and organizational skills.
 - Strong aptitude for "meeting clients where they are at" – assisting clients in directing their own journey.
 - Strong computer skills including previous experience with an Electronic Health Record (PS Suite an asset).

We are looking for the right person - are you someone who:

- Embraces our model as a community health centre & is unwavering in your beliefs about the social determinants of health.
- Is comfortable with ambiguity, variety, spontaneity – quite simply, rolling with it!
- Depends upon teamwork to deliver the best possible outcomes, yet independent & self-led in your actions – transparent in what you know and don't know.
- Loves creativity – can think fast on your feet, and outside of the box.
